

Join Us in Celebrating "The Week of the Young Child" 50th Anniversary

The Delaware Institute for Excellence in Early Childhood (DIEEC) is celebrating the "The Week of the Young Child" beginning on Monday, April 12. "The Week of the Young Child" is an initiative from the National Association of Education for Young Children (naeyc) dedicated to bringing attention to the critical development that occurs during the early years of a child's life.

Please be sure to check out our social media platforms, where every day we will focus on developmental milestones specific to each of the early years. Additionally, in partnership with the Delaware Early Childhood Council, we are hosting a panel discussion where early childhood advocates will reflect on the groundbreaking film "No Small Matter." It's not too late to register.
